

BOSCH OFF HIGHWAY & AGRICULTURE

Bosch is a leading manufacturer of components for diesel engines in both the on-highway and off-highway segments and continually sets new standards with its diesel innovations. Bosch offers a comprehensive portfolio of high-quality components and systems for both segments.

A large proportion of off-highway diesel engine and generator manufacturers take advantage of this and benefit from excellent power dynamics, low emissions and low fuel consumption.

As we are an authorised distributor for Bosch products we can supply all the off-highway diesel fuel injection parts you require in the following sectors:

Marine	Agriculture & Forestry	Mining
Construction & Material Handling	Power Generation	Railway
